

## COVID-19 (Coronavirus) Information

Dear Macedonia MB Church Family and Friends,

Governor Whitmer issued an executive order to Stay Home - Stay Safe - Save Lives. The decision to suspend all in-person worship and gatherings is our effort to assist in halting the spread of the coronavirus (COVID-19).

As difficult as it is to suspend in-person worship and to practice social distancing, it is necessary to do so to protect the larger community and therefore save lives. As we hear the news of increasing cases of infection throughout our state, it becomes more apparent that these prevention measures will not end quickly. Thus, we will continue to share virtual worship opportunities and share the good news. We give thanks for the many other ways we can connect while being physically apart. The CHURCH has never been the buildings in which we worship.

Please know that you are prayed for daily as you care for those around you. You are not alone. Especially now, we find great hope in the promise of Jesus, "I am with you always, to the end of this age." (Matthew 28:20).

Remember to:

1. Avoid close contact with people who are sick.
2. Cover your cough or sneeze with a tissue, then throw the issue in the trash.
3. Avoid touching your eyes, nose, and mouth.
4. Clean and disinfect frequently touched objects and surfaces.
5. Stay home when you are sick, except to get medical care.
6. Wash your hands often with soap and water for at least 20 seconds.

As Coronavirus (COVID-19) recommendations change, we will continue to make decisions in the best interest of our church and community. Continue to pray for our governmental and health care leaders, one another, and that the healing spread of God's love and grace will outdistance and outlast this virus.

You are loved!

Rev. Timothy Troxler, Pastor
